Home to four craft breweries and a collection of unique craft beer bars including a vintage movie theater and a vinyl record shop, there's always something brewing in Grandview Heights!

BREW IN THE VIEW

Begin your beer journey at one of Central Ohio's oldest brewpubs, **Smokehouse Brewing Company**, which is known as much for their smoked meats as they are for their 'House ales. Find out what's flowing fresh from the firkin every Firkin Friday!

Embark on a worldly beer journey at **Endeavor Brewing Company** and enjoy their internationally-inspired beers in their soccer-supporting taproom. Then raise a stein at nearby **Hofbräuhaus Columbus**, modeled after the legendary 400-year-old Hofbräuhaus in Munich, Germany. Visit the first Tuesday of every month for their seasonal beer tapping celebration!

Order a small-batch beer at neighborhood bar and brewery **Knotty Pine**, a Grandview Heights' landmark since the 1930s. Then branch out beyond Grandview at **The Ohio Taproom**, which features only Ohio beers curated from all across the state.

Grab a pint and a handful of popcorn at the **Grandview Theater & Draffhouse** which features 40 beers on tap and a rotating movie on the big screen. And when you're really ready to delve into the history, process and flavors of craft beer, hop onboard the **Columbus Brew Adventures** van for the *Grandview Brewery Tour*, offered Saturdays throughout the year.
